Relationship agreement big bang theory pdf file download torrent download

Sheldon soon realized he made a mistake and was uncomfortable being praised for his accidental discovery. (As of the end of the fifth season, this section no longer applies since Sheldon and Amy have started to hold hands, though it annoys Sheldon). In an effort to improve their friendship, Howard invited Sheldon along to see him give a speech at NASA in Houston. Sheldon has had restraining orders from Stan Lee, Leonard Nimoy, Carl Sagan and Bill Nye. After Howard had the idea of building on Leonard and Sheldon's work on superfluid helium to develop a quantum gyroscope, they went to the University to apply for a patent. Home town: Galveston, Texas. As Howard freaked out over the prospect of raising a son given his lack of interest in traditionally masculine fields like sports, he and Sheldon spent some time together building a model rocket. Bernadette says that Sheldon doesn't know when he's being mean as "the part of his brain". After Amy accepted Sheldon's proposal, he revealed that he first sought approval from her father and from his idol, Stephen Hawking. The university's refusal was one of the reasons that led to Sheldon leaving Pasadena on a cross-country train journey. After Bernadette was sent home from the hospital as she wasn't far enough along, Amy and Sheldon returned to their bedroom to try get things started again. Their wedding was delayed as they excitedly worked on a new theory of super asymmetry. After the guys celebrated the successful end of the first stage of their guidance system project, they were shocked to discover the Air Force had cleaned out their lab and had taken over the project. When his attempt to explore his carefree side ended as quickly as it began, Sheldon agreed to let Amy make the big decisions about their wedding. When Amy collaborated with Howard on a project involving prosthetics, Sheldon became jealous as they spent all their available time working together. Sheldon returned the favor by taking care of Penny when she injured her shoulder. In The Bachelor Party Corrosion, Amy tells Penny and Bernadette that her relationship agreement prohibits her and Sheldon from having plastic surgery unless it's to look like a Klingon. Sheldon made Amy admit she "manipulated" him with the perfect trip in pursuit of romance, so Sheldon sarcastically gave her the romance she wanted. When their plane was hit by turbulence, Howard and Sheldon apologized to each other for their past behavior. Despite their rocket's spectacular failure, Sheldon assured Howard that his son will be lucky to have him as a father. When Howard opened the door to the dog's owner, he was stunned to find it was Star Wars actor Mark Hamill. On the day of the wedding, after Sheldon's mother told him how proud she was of him, she tried to straighten his bow tie. To provide a neutral environment for their experiment, Penny offered to let Sheldon and Amy stay in Apartment 4B. When Howard, Leonard and Sheldon met with the Air Force representative to discuss their guidance system, Sheldon landed the guys with a harsh deadline. When Sheldon's beloved Meemaw came to town, she was there to size Amy up. Although Sheldon greatly appreciates the love and support she gives him, he's uncomfortable with her religious beliefs. This page has been updated to episode 1124. Sheldon returned home without talking to Amy. Amy enjoyed Sheldon taking care of her so much that she pretended to be sick even after she had recovered. As Sheldon and Amy started to plan their wedding, they decided to use a mathematical approach called decision theory to limit the stress of choosing between their competing visions for the big day. After Sheldon was interested in Amy's work on when an event of awareness takes place in the brain, they agreed to work together. Career Sheldon was offered the opportunity to conduct a three month expedition to visit the secluded cabin of a reclusive genius, Dr. Wolcott, with whom he'd been corresponding, Sheldon got a look at the type of lifestyle that might have been his future if he had not met Amy. According to Amy in The Mommy Observation, her and Sheldon's relationship agreement covers a wide array of scenarios that might affect their lives or the world, including career changes, financial instability, and intelligent dog uprising. Sheldon has many interests, including comic books, video games and sci-fi TV shows. As they began to question each other's choices and inflame matters by making deliberately provocative choices, they realized the wedding planning was tearing them apart. When Leonard went to talk to Georgie alone, they could relate over how difficult it is to take care of Sheldon and get no thanks in return. As they worked hard to meet the impossible deadline, Sheldon turned to caffeine to power him through and soon feared he was addicted to the stimulant. When Amy told Sheldon her news, he congratulated her on the job and insisted she must take it, but Sheldon then retreated to the bedroom upset. In "The Romance Recalibration", Amy and Sheldon are still observing the Relationship Agreement even he has compromised with Amy quite a bit since they got back together. Sheldon received his first doctorate at age sixteen. According to the Relationship Agreement neither party is allowed to pout or be moody on date night. Sheldon asked Amy if she will marry him. Throughout this early stage of their relationship, Sheldon categorized her as a "a girl who is my friend but is not my girlfriend". Unfortunately for Amy, Sheldon was so worn out by the lively discussion with Denise that comic books were the last thing on his mind. After the renovation work on Amy's apartment was complete, Sheldon found out that Amy had been lying to him about the state of the apartment. Sheldon was angered when he heard the news that Wil was going to be the new Professor Proton and tried to convince him to give up the part. Amy told him that it doesn't need to be even and that sometimes a little asymmetry looks good. Sheldon has an IQ of 187. When Sheldon feared he was losing his mind because of a song stuck in his head, he made a video which told "Crazy Future Sheldon" that "you can trust [Leonard] with your life. When Bernadette went into labor on Amy's birthday, Sheldon and Amy's annual routine of coitus on her birthday was interrupted. The job of securing the venue fell to best man Leonard, who had to do Barry's dirty work to win him over. After Bernadette finally gave birth, Sheldon and Amy went to the Harry Potter theme park together and returned to the bedroom to complete Amy's birthday celebration. Amy gave Sheldon a present of his own to get him back in the mood, but he was more annoyed that Amy had been to The Wizarding World of Harry Potter without him. According to Mary Cooper, her two other children are "dumb as soup". When Sheldon told Amy that he knew it would be fine as she had already told Mary about their cohabitation. The Relationship Agreement, now known as the Marriage Contract, is a thirty-one page document that "enumerates, iterates and codifies the rights and responsibilities" of Sheldon and Amy in their relationship. When Sheldon and Amy found the perfect location for their wedding, they were dismayed to learn that Barry Kripke had already booked the venue on that date for his birthday party. As Amy and Meemaw fell out, Sheldon was reluctant to stand up to his grandmother. The agreement also requires that Sheldon take Amy to dinner on the anniversary of their first date, where upon he must ask about her day and engage in casual physical contact that a disinterested onlooker might mistake for intimacy. After Sheldon's friends and Professor Proton made him see that Amy was more important, Sheldon decided to do something big for Amy's birthday - coitus. After Mary commented that sometimes it's the imperfect stuff that makes things perfect, Sheldon had a flash of inspiration and rushed to see Amy. Separate sections on career changes, financial instability and what happens if there is an intelligent dog uprising. Amy suggested they spend the night building a fort in the living. After his audition tape was not well received by his friends, Sheldon turned to his friends was overcome with feelings of jealousy. Sheldon generally avoids alcohol, drugs and caffeinated beverages, though he has made exceptions. Sheldon had 212 friends on MySpace. When Mary threatened not to attend the wedding if he didn't invite his brother, Georgie, Sheldon and Amy's wedding if he didn't invite his brother, he determined he needed to earn more money. After Penny dragged Sheldon and Amy away from their scientific work to get married, Sheldon discovered that Howard had arranged for the ceremony to be officiated by Mark Hamill. Sheldon initially took a disapproving attitude to Leonard welcoming Penny into their social group, though he has since come to value her as a friend. Sheldon and Amy became boyfriend and girlfriend in The Flaming Spittoon Acquisition after Sheldon felt feelings of jealousy when Stuart asked Amy out on a date. Sheldon was born in Galveston, Texas, to Mary Cooper, a devout Evangelical Christian, and George Cooper, an alcoholic. When Amy apologised for lying in order to keep staying with him, Sheldon admitted that he considered their experiment in cohabitation to have been positive and was open to living together permanently. Sheldon's favorite amino acid is lysine. Amy tried to support Sheldon and thanked him for trusting with his secret. When the guys spent Thanksgiving at Mrs. Sheldon was worried that his Christian mother would object to them living in sin, but instead Mary was just happy that Sheldon had found someone accepted him. Sheldon was thrilled and immediately started to learn more about being a train engineer, but Leonard and Howard's happiness with Sheldon's absence came to an abrupt end when Colonel Williams demanded the guys make the guidance system smaller, which they could only do with Sheldon's help. Leonard told Sheldon that Amy going away was an opportunity for him to prove he is a loving and supportive boyfriend. Sheldon views himself as Howard's slightly apathetic tertiary friend and described Howard as a treasured acquaintance, rather than a friend. Wolowitz's house, Sheldon bonded with Bernadette's father, Mike Rostenkowski, over football and beer. Additionally, she must also check the tire pressure and call the Centers for Disease Control to ask which vaccine|shots they would recommend for the trip. There is a "no nostalgia" clause. On the two-year anniversary of their first date, they must go to a nice restaurant and hold conversation and have physical contact in a manner that onlookers would perceive as affectionate/intimate. After Sheldon interrupted Amy's date to convince her to stay with him, he and Amy officially become boyfriend and girlfriend with the signing of the relationship agreement. Sheldon tried to make Amy jealous by returning a box of her stuff, including a red bra that wasn't hers. After Sheldon learned that Barry Kripke was interested in asking Amy out, Sheldon decided it was time for him to consider dating other women. When Sheldon overcame his initial doubts about the new woman working at Stuart's comic book store, he grew enthusiastic about Denise and her knowledge on the subject, prompting feelings of jealousy in Amy. Sheldon's favorite TV shows include Battlestar Galactica, Doctor Who, Star Trek and Firefly. During their first argument as a cohabiting couple, Sheldon considered dating other people, but Penny made him see that he only cared for Amy. When Leonard temporarily moved out of the apartment because of Sheldon's annoying behavior, Sheldon tried repeatedly to get Leonard to Amy, she heard him talking in his sleep and became convinced there was a more relaxed side to Sheldon. When Amy was offered a summer research fellowship at Princeton University in New Jersey, she was unsure if she could leave Sheldon for three months. The Bow Tie Asymmetry Before Sheldon for three months. The Bow Tie Asymmetry Before Sheldon for three months. The Bow Tie Asymmetry Before Sheldon for three months. The Bow Tie Asymmetry Before Sheldon for three months. Sheldon and Leonard agreed to split their share with Howard, leading Sheldon to draw up a contract. The guys flew out to pick him up and, when Sheldon got tired of his mother's religious views, he returned to Pasadena. Even with my own children." This page has been updated to episode 1204. After Sheldon pointed out that they wouldn't be very good scientists to end an experiment after only twelve hours of data, Amy agreed to continue living together. And [Leonard] does more things for you than I can even begin to list." When Sheldon and Leonard's family came to town the day before Leonard and Penny's second wedding ceremony, Mary and Alfred left the restaurant together. Birth date February 26, 1980. While toasting Sheldon, Amy said she felt like she got the greatest gift the day he was born. When Amy was sick with the flu, Sheldon took care of her as was his duty under the relationship agreement. It's later implied that the Agreement was reinstated after they got back together, as Amy brings it up in "The Viewing Party Combustion". When an attractive and intelligent woman arrived, Sheldon sent her away as she had missed the deadline. Sheldon sent her away as she had missed the deadline started at an early age. (Unstated sections) Sheldon and Amy's Date Night will be on the third Thursday instead. When the rest of the group decided to go to a wine tasting event, Sheldon invited a pregnant Bernadette to spend the evening with him instead. For their first Valentine's Day back together, Sheldon and Amy hosted a live edition of Fun with Flags. Sheldon then played out the love potion scenario of the game with Amy, much to her delight. Though he intended the kiss to be short and sarcastic, Sheldon lingered and seemed like he may have enjoyed it. Sheldon and Leonard. It is not specified whether it is in the agreement or not, but Sheldon and Amy have a "Girlfriend/Boyfriend sing-along|Sing-Along Night". The next morning, Amy was ready to call the experiment off. B: Either party is deserving of a hearty handshake after winning a Nobel Prize. When Sheldon figured out her deception, he punished Amy by spanking her, which she also seemed to enjoy. Penny tried to make Sheldon see that Ramona was interested in being more than his friend, but Sheldon did not agree and insisted Ramona was just a friendly colleague. For Valentine's Day, Amy arranged a romantic weekend trip to Napa Valley aboard a vintage train. Under Section 5, hand holding is only allowed under the following circumstances: a) Either party is in danger of falling off a cliff, precipice or ledge; b) Either party is deserving of a hearty handshake after winning a Nobel prize; c) Moral support during flu shots. With the dissolution of Sheldon and Amy's relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination", it can be assumed that the Relationship in "The Commitment Determination" is a support that the Relationship is a support that the Relations initial reluctance at spending three months in a ice cabin with Sheldon, the other guys accepted Sheldon's request to accompanying him there. When Sheldon grew increasingly agitated as the call-in session was dominated by Raj and Barry Kripke's relationship problems, Amy made Sheldon see that his friend Raj was hurting just like he had during their break-up. They set out a number of ground rules to keep their work from affecting their relationship, but they soon realized their work was garbage. When an annoyed Amy confronted Sheldon about it, he took her watching the video as a sign she wanted him back. Sheldon was insulted that his mother thought he was so weird that he would never meet anyone, so Sheldon and Amy went out for a drive to calm down. When Sheldon uncovered Amy's deception, he chose to punish her by spanking her. When Sheldon heard Penny might be considering dumping Leonard, Sheldon asked her not to hurt his friend. Bernadette appreciated not having to be "pregnant Bernadette" for a night. 13 comments Sheldon and Amy discussing the Relationship Agreement The Relationship Agreement is the 31-page contract Sheldon bought Amy a suitcase for her trip and gave her his blessing. After Sheldon and Amy moved in together, they soon found each other's personal habits annoying. Amy asked Sheldon if he thought their relationship will ever get intimate. Sheldon and Amy had prepared their own vows, which drove their officiant to tears. Although Amy was uncomfortable risking their relationship for their work, they continued to argue for the sake of science. When Bert offered Sheldon the chance to work with him on a geology project, Sheldon publicly spurned his offer and was dismissive of the field. When Leonard and Penny announced their intention to move in together, Sheldon pricked Amy on the night of the party, he was overwhelmed and told her he couldn't go. Leonard is put upon to handle many chores for Sheldon, including driving him about and collecting Sheldon's food. Despite her initial fears about spending time with Sheldon devised, in which Bernadette was a brave warrior queen whose husband was carrying their baby. When Amy and Sheldon cultivated brain cells from their own skin cells, Sheldon became determined that they should have a baby together. Sheldon is known for his brilliant mind but also his quirky behavior and idiosyncrasies. Leonard later disproved Sheldon's discovery, forcing him to retract his findings. Georgie was ignoring his calls, so Sheldon and Leonard traveled to Texas to patch things up. Georgie was annoyed that he was expected to drop everything and cater to Sheldon, who hadn't talked to him in ten years, when he needed something. Sheldon is extremely logical, but this comes at a cost of often being rude of condescending to others. After hearing what Georgie had to do for the family after their dad died Leonard asked Sheldon to apologize to his brother. As Sheldon was driven mad by an earworm, he eventually realized the song he couldn't get out of his head was Darlin' by the Beach Boys. Articles Section 4: Booboos and ouchies - Amy must help Sheldon when he has a small injury (like a splinter). In the last one Sheldon and Amy plan to betray the human race. When Amy told Sheldon she only met with him because of an agreement with her mother to date once a year, and after she informed him that all forms of physical contact (up to and including coitus) were off the table, Sheldon shewed up at the university cafeteria one day with his old admirer, Dr. Ramona Nowitzki, the guys were immediately worried about her intentions and Sheldon's seeming obliviousness. In the first season finale of Young Sheldon, Sheldon's seeming obliviousness. In the first season finale of Young Sheldon, Sheldon's Meemaw was forced to set out some ground rules after he had been getting involved in her relationship. In The Tam Turbulence, Amy remarked that after asking Sheldon about his falling out with his childhood friend, Tam, Sheldon invoked "section three, article five of the Marriage Contract: Beeswax, None of Your" to refuse to talk. Despite his fondness for his mother's affection, Sheldon has at times longed for the sort of mother Leonard had in Beverly Hofstadter, a cold and distant mother with a brilliant analytical mind. Although Sheldon slept comfortably, Amy struggled to sleep as he hogged the pillows and pushed her out of bed. After Sheldon fell sick while Amy was away at a neurobiology conference, Amy encouraged Sheldon to be more empathetic towards his friends. Although he failed to dislodge Sheldon from the apartment, Leonard was relieved that he was once again dealing with the difficult Sheldon he was used to. At the insistence of Penny, Sheldon something, telling him he shouldn't feel any pressure to say it back, Sheldon jumped in and said "I love you, too." Sheldon told Amy there is no denying he has feelings for her that can not be explained in any other way. Sheldon upset Amy when he revealed he had signed up for a one-way trip to colonize Mars without even discussing it with her. Sheldon had so much fun he changed the parameters of the Relationship Agreement to allow Amy to spend the night. Sheldon told Raj in The Gorilla Dissolution that the relationship agreement precludes Amy from physical contact with anybody but him, even though Sheldon does not enjoy the sport, he has a strong understanding of American football, thanks to his late father. Sheldon thought he discovered a technique for creating a new heavy element and was pleased when a Chinese research team reportedly tested his technique with promising results. After Ramona suggested she was and proceeded to kiss him, Sheldon immediately left his office, got a taxi to LAX airport, bought a ticket and boarded a plane. Sheldon sometimes overlooks the sacrifices Leonard has made, such as not living with his fiancee, to accommodate Sheldon. Sheldon has shown appreciation for Penny when she was locked out of his apartment. When none of Sheldon's friends wanted to go with him to the aquarium on Thanksgiving, Amy went along as a friend. After Leonard and Howard found out that Sheldon was working with the military on their guidance system behind their backs, they decided to compete with Sheldon and pitch an alternative design to the military. Sheldon has occasionally shown a softer side towards Leonard. Sheldon was working with the military on their guidance system behind their backs, they decided to compete with Sheldon and pitch an alternative design to the military. their proms on the roof of the apartment building, Sheldon was worried Amy might be expecting an intimate evening, as is Sheldon, who didn't attend his high school prom, was eager for his first prom to go well and chose to embrace all traditions associated with prom. Sheldon vowed to try be better at sharing the spotlight with her. Although Sheldon can be dismissive of Leonard and his accomplishments, Sheldon is very dependent on Leonard as a friend and formerly a roommate. After Sheldon agreed, Amy organized him a party with his close friends, Beverly Hofstadter, Barry Kripke, Leslie Winkle, Wil Wheaton, special guest Adam West, and a video call from Stephen Hawking. Relationship with Amy After Howard and Raj secretly set up an online dating profile for Sheldon would be just as annoying as roomate Sheldon, he was confused when Sheldon was a model tenant. Leonard was frustrated that Sheldon could be considerate when he tried. When Sheldon spent Anything Can Happen Thursday with Penny, she took him to see a psychic. Thinking they were not ready for such a step, Amy resisted Sheldon's attempts to come on to her. At the ceremony, Sheldon stood up and told Leonard and Penny that they are both of great importance to him. As Amy reminisced about signing their first relationship agreement, Sheldon reminded her of the "no nostalgia" clause in their agreement. After he arrived in Princeton, he went to Amy's apartment and knocked on her door. The relationship agreement specifies that the second Thursday of every month, or the third Thursday in a month with five Thursday is friends, Sheldon taught him football. Sheldon voluntarily drank alcohol when he was nervous about giving a speech at an awards banquet. After they devised an online scavenger hunt to try find a woman suitable for Sheldon, they spent an evening waiting for somebody to show up at the apartment. When Amy's birthday fell on the day of the new Star Wars movie, Sheldon was initially going to skip Amy's birthday, even though they were back together. When Sheldon returned to the university, they found a solution to allow him to change his research as long as he teaches a class as a junior professor. Although Amy was on a date with Dave at the time, even he supported Sheldon telling Amy how he felt. During an interview for a documentary about Leonard Nimoy and Spock, Sheldon tried to be logical and rational, but he struggled to keep his emotions about the break-up in check. After Sheldon was not invited to a physics symposium, he and Amy talked about the break-up in check. After Sheldon was not invited to be logical and rational, but he struggled to keep his emotions about the break-up in check. After Sheldon was not invited to a physics symposium, he and Amy talked about the break-up in check. After they encouraged Sheldon to consider living with Amy as an experiment in cohabitation, he was curious but thought it would be an unscientific experiment if he stayed in his home environment where he is already comfortable. When Amy invited Sheldon to stay with her in Princeton for a few days, Sheldon joined Amy for dinner with her colleagues. When Amy contacted Sheldon again, she told him being his girlfriend was challenging and she needed to take a step back and re-evaluate their situation. Having already publicly announced his results, Sheldon returned home to Texas in shame. When Sheldon heard that the Professor Proton show was being revived, he decided to audition for the role. When Amy proposed just going down to City Hall for a wedding, Sheldon agreed and surprised Amy by suggesting they go the very next day. After spending an enjoyable day with Sheldon, Amy called him to ask if he was interested in getting back together. After the video chat ended, Sheldon turned to the Gollum figure on his desk to ask what he should do with a ring. The guys were disheartened to learn that the university would own 75% of the patent rights and Howard's name could not be listed on the patent. Sheldon finally realized how Georgie helped him and the family out after George Sr.'s death. After Bernadette pointed the problems Howard has had with Sheldon might treat him. Sheldon and Leonard were both worried their parents might get together, making them stepbrothers. Sheldon objected to Amy thinking he can't handle his own life, but Amy said that in a relationship they should help each other with their agreement. After realizing that he still had feelings for Amy, Sheldon grabbed his engagement ring and went to see her, only to catch her being kissed goodnight by a man. Amy learnt about Sheldon's surprise in advance and was pleased that he was ready to be with her physically. Each party is also required to take care of the other when they are sick as in "The Fish Guts Displacement" (S06E10). Amy took a few days away from Sheldon to think about their relationship. As Sheldon and Amy tested their friends to see who was most deserving of being best man and maid of honor at their upcoming wedding, Sheldon revealed that his mother was pushing for him to make Georgie his best man. Sheldon revealed that his mother was pushing for him to make Georgie his best man. share a toothbrush holder. Sheldon thought the song represented his relationship with Amy, so he ran over to her apartment to ask her to get back together. After Sheldon spent the journey with a fellow train enthusiast, Amy confronted him about to sk her to get back together. After Sheldon spent the journey with a fellow train enthusiast, Amy confronted him about his behavior. As a result, Amy sought of Denise's help so she too could talk to Sheldon about comic books. As a result of Sheldon's antagonism towards him, Howard has not been as tolerant of Sheldon's quirks as the other guys. Later, Sheldon sneakily went to Bert's office to say he would be open to working with him, so long as it's in the evening after everyone has gone home. As they continued living together, Amy grew frustrated with Sheldon's desire to control every aspect of her life without making any concessions himself. When Wil refused to back out of the show, Sheldon put him back on his list of mortal enemies. Sheldon included his brother on the league table, but gave him 0 points. Notable exception: In "The Countdown Reflection" (S5E24), while watching Howard's rocket launch into space, Sheldon worries about Howard because he does not trust Russian technology (with good reason as the rocket ship actually has a gas leak and Russians aren't trustworthy) and for comfort he grabs and holds Amy's hand, seemingly without realizing he had done so. When the whole gang played Dungeons and Dragons one evening, Amy got upset that the guys were mocking her relationship with Sheldon. He was, at the time, the youngest person to receive the Stevenson Award, receiving it at fourteen and a half. When Amy was offended that Sheldon had been sharing intimate details of their relationship with his colleagues. Sheldon applicationship with Sheldon applicationship with Sheldon had been sharing intimate details of their relationship with his colleagues. Sheldon applicationship with Sheldon had been sharing intimate details of their relationship with his colleagues. Privacy" which will govern what he shares with other people. Sheldon a party to celebrate his birthday, he suddenly felt overwhelmed when he saw all the guests and presents. Sheldon told her it was a possibility. Sheldon has been inadvertently drunk a number of times, usually at the hands of Penny. After Mary Hamill pronounced them man and wife, Sheldon and Amy walked back down the aisle as Barry Kripke sang them out. Sheldon speaks fondly of his grandmother, whom he calls Meemaw and who calls him Moonpie. Sheldon speaks fondly of his grandmother, whom he calls Meemaw and who calls him Moonpie. to get intimate after the party. After Sheldon interrupted their kissing to ask Amy whether he should watch a new TV show, Amy was angry that Sheldon plan on selling out the human race hard in the event of the latter. They split the major wedding decisions between themselves randomly, but eventually agreed to allow swaps when they both realized they each cared more about certain decisions than others. The guys eventually spoke to Colonel Williams and realized they were worrying over nothing, as government contractors rarely meet their deadlines. After Amy balked at the idea of allowing Kripke to sing at their wedding, she and Sheldon decided to consider other venues. When Sheldon and Amy started bickering, they noticed it improved the quality of the work. Amy thought Sheldon was being weird for not wanting to recycle his old laptop and refusing to explain why, so Sheldon realized it would be easier to show her than explain what was wrong. When Amy asked if Sheldon was experiencing any wedding jitters, he assured her that nothing could stop him from marrying her. Howard and Raj blackmailed Sheldon was experiencing any wedding jitters, he assured her that nothing could stop him from marrying her. Sheldon was very concerned for Leonard when he needed minor surgery. Sheldon Cooper BS, MS, MA, PhD, and ScD is a theoretical physicist at Caltech who is married to neurobiologist Amy Farrah Fowler, with whom he now lives in Apartment 4B after years of sharing an apartment with his best friend and colleague, Leonard Hofstadter. Although Sheldon's quirks. After Penny suggested that Sheldon include a clause in the contract that prevents him from denigrating Howard or his work, Sheldon also added a clause that gifted a quarter of his share to a college fund for the Wolowitz baby. Amy must give a 72-hour-notice to Sheldon in advance of a travel|trip. She also liked the fact that the agreement is binding. When Leonard tried to evict him under the tenancy agreement that Sheldon drew up, he got a reminder of the old Sheldon, who had put a loophole in the agreement. Amy was pleased with Sheldon's second most intimate zone, after one reserved for his own private thoughts. By "The Spoiler Alert Segmentation" (S06E15) she called it a ridiculous contract right after Sheldon experienced feelings of jealousy and eventually recognized his feelings for Amy. Growing up, Sheldon's grandfather, whom he called Pop-Pop, was the person who most encouraged Sheldon's interest in science. He usually wears a different color long-sleeved shirt underneath his t-shirts. Trivia Full name: Sheldon Lee Cooper. Sheldon Lee Cooper. Sheldon drew up, he called on her to treat his splinter as required under Section 4: "Booboos and Ouchies". When Sheldon needed a place to work away from Amy, he rented his old room back from Leonard and Penny. After Sheldon needed a place to work away from Amy, agreed to get back together, Dave encouraged Sheldon to kiss her. Sheldon mentioned how he used to feel as a kid when his brother and sister would make forts in the living room and not let him enter. In one of their video chats, Sheldon told Amy how he was spending time with a colleague, Dr. Nowitzki, who was a huge fan of his work as well as tall, blond and a former Olympic swimmer. After an enjoyable experience for them both, Sheldon and Amy vowed to do it again on her next birthday. Sheldon was reluctant to have a party as he was still haunted by memories of his childhood parties, where his sisters friends would pick on him and nobody he invited would show up. Sheldon 's friends contacted Stepher Hawking to help Sheldon understand that even the greatest scientists occasionally have feelings of professional envy. Sheldon eventually settled on his best man. Marriage to Amy The day before Sheldon and Amy's wedding, Amy watched as Sheldon was obsessively tying and untying his bow tie. When Amy's apartment was flooded by a burst water pipe, Leonard and Penny offered to let Amy stay in his room in Apartment 4A, so she would be living with Sheldon. Sheldon knows many languages including Finnish, Spanish, Mandarin, Persian and Arabic (and Klingon). When Leonard and Howard turned to Barry Kripke for help with the project, he stole their idea and took the proposal to the military. When Amy first signed it in "The Flaming Spittoon Acquisition" (S5E10), she found signing it very romantic. As Sheldon and was surprised to find out Ramona was there with him. After Sheldon told Amy he was in the mood if she was, they headed to the bedroom for their first non-Birthday coitus. As he struggled to deal with his toxic feelings, he repeatedly injured himself. Mary, George and Missy all flew into Pasadena to attend Sheldon's wedding to Amy. Amy found out that Sheldon had an engagement ring that he'd been planning to give her, Meemaw gave them her blessing if Sheldon wanted to give the ring to Amy. When Ramona took lunch for Sheldon to his office the next day, he asked her if she was seeking a romantic relationship. The emotional stress of Amy leaving him and Leonard & Penny moving out caused Sheldon to revert to his 2003 self. After they recovered in time to attend Halley's first birthday party, Sheldon and Amy decided to celebrate with a go on the bouncy house before finding a bedroom for coitus. Sheldon admitted that although the break-up hurt him, he was glad to have gone through it as his relationship with Amy was stronger than ever. Despite the university taking 75% of the profits and not allowing Howard to be named on the patent, Sheldon and Leonard agreed to split their share with Howard. When Mark insists that there must be something he can do for Howard in return, Howard has an idea which leads to Mark Hamill officiating Sheldon and Amy's wedding. When Amy opened the door, Sheldon was down on one knee, holding an engagement ring. Sheldon stopped her, saying it's supposed to be a little asymmetrical. After he started insulting her, Amy announced that they were broken up. The psychic told Sheldon all his issues, personal and professional, would be solved if he commits completely to Amy. Sheldon told Amy he doesn't consider their relationship a joke and that he would not rule intimacy out. He realized that Leonard and Sheldon he was tired and Sheldon retreated to the bathroom, Penny went to comfort him. When she asked what he was doing, Sheldon admitted he was trying to get it perfectly even. When Leonard and Penny's marriage was experiencing some strains in The Romance Recalibration, Sheldon drafted when they were boyfriend and girlfriend, but has been superceded by a contract as man and wife. Although Sheldon didn't initially understand Amy's anger, he later asked her if she would like to submit a joint application for them both to go to Mars. Section 5: Hand Holding - holding hands|Hand holding is only allowed under the following circumstances: A: Either party is in danger of falling off of a cliff|cliff, precipice, or ledge. Sheldon and Raj's friendship has also seen its share of drama, particularly when Sheldon offered Raj a job working with him. When Raj decided not to rely on his father's money anymore, Sheldon went through Raj's finances and made a strict budget for him to live within his means. As they waited for their turn at City Hall, Sheldon changed his mind and said he wanted a first dance with Amy at a real wedding. When Sheldon proved to be a distraction to Howard and Leonard as they worked to complete the guidance system, Leonard gave Sheldon taking care of her so much that she pretended to still be ill even as she got better. When Sheldon finally went to apologize to Bert and ask to work with him again, Bert had replaced Sheldon with Leonard. Following Amy's declaration that she needed some time to take a step back and re-evaluate their relationship, Sheldon pestered Amy to find out whether they were still together. Sheldon admitted that he was worried about hurting Amy like his father used to upset his mother. Sheldon has a hard time understanding sarcasm and is, with the exception of his close friends and wife Amy, uncomfortable with many social situations. Amy told him that she is always hopeful for something to happen, but that she just wanted to have a nice time. Sheldon also shared some beers with Bernadette's father, Mike, one Thanksgiving. After Sheldon's laptop died, Amy bought him a new laptop and offered to have his old one recycled for him. Sheldon further offended Amy further when he filmed an episode of Fun with Flags full of thinly veiled references to their split and sent her the link. Sheldon has a fear of birds and of nets. Leonard and Penny got their own Relationship Agreement in the episode "The Romance Recalibration". After their first date, Amy and Sheldon texted each other for a few months. Sheldon considered whether to move back to his old apartment with Amy or move somewhere else with her, but he finally settled on living with her in Apartment 4B. After Sheldon texted each other for a few months. lied to Barry Kripke about having a sexual relationship with Amy, Penny asked him straight out whether he would consider a physical relationship. During a trip to Texas for the holidays, Amy convinced Sheldon that they should tell Mary t so he turned to Howard and Raj, who had originally set him up with Amy. Their relationship grew closer when he cuddled an upset Amy after Bernadette and Penny left her out of wedding dress shopping. Sheldon told her that getting over her was not something he excelled at, so he thought they should just remain friends. On the night, Sheldon and Amy got over their nervousness and spent the night together.
